<p>1. Because of a mix-up in dispatch numbers (Reference A was originally assigned NASA-5258 which had already been assigned to another dispatch) we just received Reference A telling us that the GRAVITY-1 loan has been cancelled by [ ]</p> <p>2. Headquarters had not written a letter to [ ] before receiving Reference B and, because the separate cover attachment to Reference B listing [ ] latest address has not been received, we had taken no action on Reference B. Therefore, it seems safe to assume that [ ] cancelled the loan on his own initiative.</p> <p>[ ] [ ]</p>
